

## ISMAEL BOUAOUDA RUIZ

### CHEMICAL ENGINEER

@ ismael.engineer.es@gmail.com

+34 632830769

Alicante, Spain

<https://ismaelbouaoudaruiz.com/>

#### OBJECTIVE

I perceive myself as a responsible and proactive individual, always seeking opportunities for collaboration and personal growth. My strongest asset lies in generating ideas and effectively contributing to team efforts in order to achieve positive outcomes. Although my professional experience so far has been limited to internships, I am eager to adapt and continue expanding my skills in a variety of work environments.

#### SKILLS

- MATLAB
- Leadership
- Problem resolution
- Neuronal Network
- Optimization
- Emotional intelligence

#### WORK EXPERIENCE

- **CHM Internship as analysis laboratory technician,**  
(2020-2020)

My main tasks were taking samples, analysis of the samples and representation of the results.

- **CETRA Waste treatment center,**  
(2022-2022)

Control of the digester and understand the operation of a recycling plant.

#### EDUCATION

- **LEAN SIX SIGMA FOR ENGINEERS,** Universidad de Alicante.

(2022)

- **CHEMICAL ENGINEERING,** Universidad de Alicante

(2025)

#### LANGUAGES

- **Arabic**

Spoken at home and on numerous trips to Morocco.

- **Spanish**

Native language.

- **English**

Medium level, studied at college and high school, in continuous improvement.

- **French**

Basic level, in continuous improvement.

#### OTHER RELEVANT INFORMATION

Graduated in Chemical Engineering from the University of Alicante, with a Final Degree Project focused on the simulation and optimization of chemical processes using neural network models and optimization algorithms.

Native Spanish speaker, fluent in Moroccan Arabic, and possessing an advanced level of English gained through over a year of professional experience abroad.

Contributed to the creation of NoEstoy by providing concept development and designing commercial strategies.
